

Charter Dossier 2019

Mondomarine 120

Mondomarine 120

Built in Italy and with interior and exterior design by Aldo Cichero, this luxury yacht will take you on an unforgettable voyage in the Mediterranean. With a crew of six and five opulent cabins, your every need will be catered to on board.

The Mondomarine 120 can take 12 passengers anywhere they want to go, OR it can take up to 36 passengers for a cruise along the Costa Blanca, as long as the boat remains within 3 km of shore.

the boat

Mondomarine 120

There are not many better places to enjoy the panorama of the Mediterranean the flybridge of this boat. With several lounges and couches to relax, a jacuzzi and a dining area on deck, you and your friends have only to sit back and enjoy the view while the crew serves your favourite drink.

The stern deck is a beautiful spot to relax
